

Il Nuovo Cimento Vol. 43 N. 4-5 (2020)

📅 22-12-2020 ↪ <http://www.primapagina.sif.it/article/1215>

This issue of Il Nuovo Cimento is dedicated to a selection of the best communications at the 105th National Congress of the Italian Physical Society, held in L'Aquila on 23-27 September 2019, by a number of young, talented members of the Society.

The National Congress is a good occasion to prize these young physicists of different fields with a rapid publication of their results and Il Nuovo Cimento is particularly suitable to comprehensively highlight them.
