careers

Physics World Careers highlights the career opportunities for those with a background in physics and related subjects. The latest guide contains helpful careers advice, real-life case studies and an extensive employer directory. Read more at physicsworld.com/careers

Physics World, the membership magazine of the Institute of Physics, covers the big stories and key issues that matter to scientists in all parts of the world, with features from acclaimed physicists and science writers, comprehensive news and analysis, and incisive opinion pieces. SIF Members will be able to access the monthly magazine, as well as the Focus issues and Special reports either with the Physics World app or directly via the web by authenticating with the credentials available in the [SIF Members Area](#).
