

Best communications presented at the 106th National Congress

📅 28-09-2021 ↗ <http://www.primapagina.sif.it/article/1369>

These issues of *Il Nuovo Cimento* are dedicated to a selection of communications given at the 106th National Congress of the Italian Physical Society, held on line on 14-18 September 2020. The National Congress is a good occasion to present research works of different fields and their rapid publication in this volume of *Il Nuovo Cimento* is very valuable for the physics community also at international level. Issue 2-3 is dedicated to the sections: Nuclear and Subnuclear Physics; Astrophysics. Issue 4-5 is dedicated to the sections: Solid-State Physics; Geophysics and Physics of the Environment; Biophysics and Medical Physics; Applied physics, Accelerators and Cultural Heritage; Physics Education and History of Physics.
