## **Celebration Symposium on the occasion of the International Year of Light and Light-based Technologies in 2015 (IYL2015)**

20 - 21 July 2015

Villa Monastero, Varenna, Lake Como

On the occasion of the International Year of Light and Light-based Technologies in 2015 (IYL2015), the Italian Physical Society (SIF) together with the Italian Astronomical Society (SAIt), the Italian Society of Optics and Photonics (SIOF) and the Italian Synchrotron Radiation Society (SILS) will jointly organise in Varenna, Lake Como, Italy, in the beautiful venue of Villa Monastero, a Celebration Symposium entitled "Light & Life" which will take place on 20 and 21 July 2015.

This Symposium will bring together scientists from various light&life-related fields with the aim of giving an overview of this fascinating subject: look at the programme of the Symposium!
