

# Annunci & Eventi - marzo 2016

📅 23-03-2016 ↗ <http://www.primapagina.sif.it/article/405>

---

## **Galileo//thek@**

Galileo//thek@ è un potente motore di ricerca disponibile sul sito web del Museo Galileo di Firenze che rende possibile interrogare i dati disseminati in più archivi. Consente di effettuare ricerche semplici o avanzate su uno o più repertori contemporaneamente.

Maggiori informazioni: [qui](#).

## **International Nuclear Physics Conference 2016**

The 26th International Nuclear Physics Conference (INPC2016) will be held at the Adelaide Convention Centre in Adelaide, Australia, 11-16 September 2016.

Deadline for abstracts submission: **29 April 2016**.

More information: [here](#).

## **Towards EURISOL Distributed Facility**

The EPS Divisional Conference "Towards EURISOL Distributed Facility" will be held in Leuven (Belgium), 18-21 October 2016.

Deadline for abstracts submission: **27 May 2016**.

More information: [here](#).

## **Call for workshop proposals at ECT\* in 2017**

The call for proposals for projects to be run at ECT\* in 2017 is open. Projects can be workshops or collaboration meetings. Other formats can be proposed and will be evaluated on a case-by-case basis.

Deadline for proposals: **1 June 2016**.

More information: [here](#).

## **Materials.it 2016**

The Italian National Conference on Materials Science, Materials.it 2016, will be held at the Centro Fieristico Le Ciminiere, Catania, 12-16 December 2016.
