13th Advanced School on Parallel Computing

The 13th Advanced School on Parallel Computing will be held at Cineca Casalecchio di Reno, BO, 13-17 February 2017.

More information: [here](#).

INSTR17

The International Conference Instrumentation for Colliding Beam Physics (INSTR17) will be cohosted by the Budker Institute of Nuclear Physics (BINP) and Novosibirsk State University, Novosibirsk, Russia, 27 February - 3 March 2017.

Deadline for registration and abstract submission: **17 January 2017**

More information: [here](#).

The Azarquiel School

The 4th Azarquiel School of Astronomy: a Bridge between East and West will be held in Portopalo di Capo Passero, Siracusa, 11-16 June 2017.

Deadline for registration: **10 March 2017**

More information: [here](#).

ISAPP 2017

The ISAPP School on Neutrinos in Physics, Astrophysics and Cosmology will be held in Arenzano, Genova, 13-24 June 2017.

Deadline for registration: **19 March 2017**

More information: [here](#).

Rencontres de Moriond

The Rencontres de Moriond QCD and High Energy Interactions will be held in La Thuile, 25 March - 1 April 2017.

More information: [here](#).

FisMat2017

FisMat 2017, the Italian National Conference on the Physics of Matter, will be held in Trieste, hosted by the International Centre for Theoretical Physics and SISSA, 1-5 October 2017.
