

# Passion for Physics 2018

## SAVE THE DATE 13-14 July

📅 30-04-2018 ↗ <http://www.primapagina.sif.it/article/758>

---

On the occasion of the 80th anniversary of Enrico Fermi's Nobel Prize in Physics (1938), the Italian Physical Society (SIF) will organize on **13-14 July 2018**, in the beautiful Aula Fermi of Villa Monastero, in Varenna, Lake Como, a new edition of the International Symposium "**Passion for Physics**" **Highlights and Perspectives in Multi-Messenger Research**.

Closing date for application: **25 June 2018**.

No Participation fee is required.

Registration form

### TOPICS AND SPEAKERS - *Preliminary*

- *Multi-messenger astrophysics*: **Marica Branchesi** (GSSI, L'Aquila)
- *LIGO-Virgo*: speaker to be confirmed
- *FERMI*: speaker to be confirmed
- *LISA*: **Stefano Vitale** (University of Trento)
- *KAGRA*: speaker to be confirmed
- *IceCube*: **Anna Franckowiak** (DESY, Hamburg)
- *KM3NeT*: **Mauro Taiuti** (University of Genova)
- *Auger*: **Antonio Bueno** (University of Granada)
- *DarkSide*: **Cristiano Galbiati** (Princeton University & GSSI, L'Aquila)
- *LIMADOU*: **Roberto Battiston** (ASI & University of Trento)
- *EEE*: **Rosario Nania** (INFN Bologna)
- *Astronomical observations*: **Enrico Cappellaro** (INAF, Padova)
- *Theory (black holes & gravitation)*: **Mairi Sakellariadou** (University of London)
- *Theory (cosmic rays)*: **Pasquale Blasi** (GSSI, L'Aquila)
